- Guard Members pack according to instructions from Mr. Thomas for workshop day.
- Suggestion: Put each day’s clothes in large labeled baggies or “space” bags to help students organize required attire.
- Tie a ribbon on duffel bag or suitcase to help your student identify their luggage quickly. Recommended that the checked luggage bag has a travel tag attached.
- Students will be given a name badge lanyard for the trip. Lanyards will be returned to chaperones at the end of the trip.
